

Charitable Trusts and Foundation Giving

[Print](#)

NRAS receives no statutory funding and relies entirely on funds raised through voluntary donations including grants from Trusts and Foundations.

Out of every pound spent by NRAS, 82p is spent delivering services to our beneficiaries and 20p is spent on raising each £1.

NRAS is a beneficiary of many generous grants from Trusts and Foundations that have enabled the charity:

- To meet some of the costs of providing our vital information and support services including the NRAS helpline, peer to peer support services, webinars, patient information events and

publications.

- Start the planning and development of a Digital Self-Management Programme for everyone living with RA and JIA in the UK.
- Provide services to children and young people with JIA, and their parents and carers, including activity days and publications.

Get in touch

If your Charitable Trust or Foundation would like to support our work or if you would like to find out more about the charity's latest projects, please contact Emma Spicer on 01628 823 524 or espicer@nras.org.uk.
