## Fundraising in your community

[Print](#)

Whatever way you would like to fundraise, you can help to make a difference to children living with JIA, their families and carers.

Whether you want to challenge yourself to a run, organise a bake sale, hold a quiz night or danceathon we are here to support you all the way with your event! You maybe celebrating a birthday, wedding or other special day – why not consider asking your friends and family to donate to NRAS instead of buying a gift for you.

Once you have decided on your event or fundraising activity, set up an online fundraising page or Facebook fundraising page if appropriate and let us know what you are doing and when! We will then send you out a fundraising pack to get you started!

## How we will support you

- A step-by-step guide to fundraising
- A fundraising pack, including sponsorship/donation forms and branded materials
- Posters to help advertise your event
- JIA T-shirt
- Dedicated support and encouragement all the way!

For further information about organising or taking part in your own event, please contact the Community Events Fundraising Team at 01628 823524 or email [fundraising@nras.org.uk](mailto:fundraising@nras.org.uk)
