Perhaps you are a parent/relative of someone with JIA, are an adult who was diagnosed as a child, or a healthcare professional who has seen a child or young person cope with it on a daily basis. You can support all those living with JIA by become a 'Friend of NRAS' today.

Monthly gifts by Direct Debit give us the confidence to plan for the future. You can help ensure we continue to provide our key services including raising awareness, providing information and support to families, friends and schools, and campaigning at government level to ensure that the needs of

families, children and young people affected by JIA are understood and prioritised.

Friends of NRAS receive:
